

## **Gerd Leonhard**

**Futurist & Humanist, Author, CEO The Futures Agency**

“People, Planet, Purpose and Prosperity” - is Gerd Leonhard’s motto. Over the past two decades Gerd has ranked among the top 10 futurist keynote speakers worldwide. He has given more than 2,000 talks in over 60 countries, reaching an audience of more than 3 million people and scaling to over 270.000 subscribers on Youtube.

Wired lists Gerd as one of Europe’s 100 most influential people, and The Wall Street Journal called him “one of the world’s leading futurists.”

Gerd focuses on connecting humanity, science, technology, business, and culture. He promotes what he calls ‘The Good Future’ and emphasizes the importance of foresight, future-ready leadership, and resilience in the face of uncertainty. Gerd is also a film-maker (latest release: "Look Up Now"), the Author of 5 books including ‘Technology vs Humanity’ and a fellow of the Royal Society of Arts.
